

#StopTheSpread

Our additional steps during lockdown

These measures will start on Thursday 5th November

- 01** All adults at drop off and pick up to wear a mask/visor(unless exempt)
- 02** All parent meetings will happen remotely using Teams or Zoom
- 03** All communications with school to be at the gate or via email/telephone
- 04** School staff will wear a mask/visor when moving around the school, but not in their bubbles - except for staff that work across multiple bubbles
- 05** All PE lessons will take place outside
- 06** Lunches will be eaten in the classroom. The menu will remain the same, where at all possible
- 07** Unfortunately, there can be no birthday or celebration sweets and chocolate handed out
- 08** No bags in school. However, children can use a plastic wallet to store their planner and reading book in. Pre-school children can still use bags for their care items
- 09** Wrap around care will continue to run, but we encourage you to only use it where absolutely necessary

For the safety of our families and staff, there is no access through the school car park. Please use the main school entrance and one way system.
