

# This half term our theme is 'Time Traveller'

In Maths,

**In English,** we will begin by welcoming two visitors to our class, Mr Williams and his 5 month old son and Mrs Davies. The children will be preparing questions to carry out an interview with our visitors to learn about the different generations. Next we will learn about information texts, and produce leaflets explaining some of the stages of growing up. After this we will complete a poetry unit where children will write a free verse poem based on a member of their family. This term we will also be writing stories in order to take part

Time stops for no one – not even us!  
This half term, we'll meet people from different generations to find out what life was like in the past and we'll predict how things might change in the future. Using real portraits from the past for inspiration, we'll write character descriptions about the people in them. Our science work will focus on puberty and why hygiene is important. We'll also create clock artwork based on the style of Salvador Dali.

**In P.E,** we are learning netball. We will be reviewing the different netball passes and putting these into practice during a range of different small sided games. Children will learn to develop attacking and defending strategies focusing on spatial awareness, movement, direction and communication. We will also be completing a dance unit based on different dance styles including the hand jive, the twist and rock and roll.

**In art** we will use a digital camera to take a close-up photograph of a partner's face. We will then create sketches, before experimenting with different mediums to produce a portrait. We will also look at images of different types of clocks and clock faces and explore Salvador Dali's use of clock imagery in his artwork. Design and paint a unique clock and clock face, taking inspiration from images and artefacts.

**In R.E,**

**In Spanish**  
**In computing**

Reminders  
Just a reminder that all children need to have their reading book and yellow reading record and home learning book in school every day. The reading reward scheme that the children all work towards, is a check of their reading records on a Monday morning. This checks that children have read a minimum of 5 times a week at home and that reading diaries have been signed by an adult at home.  
Year 6 Revision Sessions  
As you are aware Year 6 will be completing their SAT's in May. In order to give them some preparation, we are running revision sessions on Tuesday and Thursday mornings focusing on Maths, and then Tuesday afternoons in school time focusing on reading.

Remember, questions, queries or electronic home learning can always be sent to our class email address [class2@nathfinderschool.org.uk](mailto:class2@nathfinderschool.org.uk)

**Dates for your diary:**  
Wednesday 20<sup>th</sup> March – Tag Rugby Festival  
Tuesday 26<sup>th</sup> and Wednesday 27<sup>th</sup> March – Parent Consultations  
Friday 29<sup>th</sup> March – Mothering Sunday Lunch  
Friday 5<sup>th</sup> April – Last day of term
